Welcome back Pen Women!

I am so excited to have another way to share our Branch news with members and friends, with this inaugural newsletter. Huge thanks go out to Narda McCarthy our Letters member for volunteering to create this each month.

Don't forget to share your news with pictures so we can all participate in each other's triumphs. We are such a talented group of women that we should be celebrated often!

I am looking forward to a new, exciting season and hope to see you all at our luncheons and participating of our exhibits and workshops. Please save those dates in your calendars.

Our first speaker this season will be Piper Steffen, a gallery owner who will share her experiences with us at Galuppi's in Pompano Beach.

See you all in October!

Tammy Seymour
President
